

**Shawn E. Kamps, MD**

**Pediatric Radiologist**

*Seattle Children's Hospital*

Shawn Kamps, M.D. is a Pediatric Radiologist who has been on staff at Seattle Children's Hospital since 2007 and is an Associate Professor of Radiology at the University of Washington Medical Center.

Shawn earned a Bachelor of Science degree in Mathematics at the University of Florida, completed her Doctorate of Medicine at Eastern Virginia Medical School, followed by a Diagnostic Radiology residency at the University of Washington and a Pediatric Radiology fellowship at UW/Seattle Children's Hospital.

Her specialized interests are musculoskeletal imaging, and the imaging of skeletal dysplasias and syndromes. Shawn has provided imaging support for multidisciplinary conferences related to skeletal dysplasias since 2007. She has also created educational materials and published multiple articles related to the imaging of skeletal dysplasias.
